- Technical: Schema Markup, URL Redirects, Site Audits, XML Sitemaps, Robots.txt, llms.txt
- Research: Keyword Research, Semantic Keywords & Topic Clusters, Competitor Analysis
- Off-Page: Link Building, Guest Blogging, Web 2.0 Publishing, Citation Submissions, Profile Linking, Social Sharing
- Local SEO: Google Business Profile (GBP) Optimization, NAP Consistency
- Content: Meta Titles & Descriptions, Blog Optimization, Product Detail Content
- Tools & Platforms: Semrush, Ahrefs, Ubersuggest, Google Search Console, Bing Webmaster Tools, PageSpeed Insights, Google Analytics (GA4), Shopify

PROFESSIONAL EXPERIENCE

Junior SEO Specialist | HiveNexis

Aug 2025 – Jul 2026

- Conduct keyword research, competitor analysis, and semantic keyword clustering to guide content strategy and identify high-intent opportunities
- Optimize on-page content, including meta titles, descriptions, and product/blog content, to improve organic visibility and rankings
- Manage Google Business Profiles and monitor performance via GA4 to strengthen local visibility and traffic insights
- Implement schema markup, URL redirects, and page speed improvements to resolve technical SEO issues and improve site health
- Build backlinks and execute off-page campaigns, including directory listings, guest blogging, Web 2.0 publishing, and social sharing, to grow domain authority
- Contribute to full SEO builds for newly-launched websites and deliver performance reports tracking progress across projects

SEO Intern | HiveNexis

- Completed a 3-month SEO internship working on HiveNexis's own company website, gaining hands-on experience in on-page optimization and off-page link building to improve search visibility

SEO Intern | aisoftdeveloper.uk

- Focused on off-page SEO, building backlinks to support domain authority and search visibility

KEY PROJECTS

- SnuGyz: Keyword research, content optimization & off-page link building for a Shopify baby care brand
- ASG Consulting: End-to-end keyword research and on-page, off-page & technical SEO for a UK building surveying firm
- RX Furnace Industry: Off-page SEO & link building for a global industrial furnace manufacturer
- Fiddlebling: On-page & technical SEO for a Shopify musician merch brand
- HiveNexis (Company Website): Independently led off-page SEO for the agency's own site
